

CC#11

Circular Letter No. 131.

June 21, 1910.

To Supervising Principals:--

An examination for the English Graded License will be given during the first week of the Summer Institutes to be held at Río Piedras and at Mayaguez to all candidates who have not been examined during this last term, provided they present to the one in charge of the Institute a written recommendation from their Supervising Principal that they be admitted to the examination at the time of enrolling.

Another opportunity will be given to teachers enrolled at Río Piedras or Mayaguez during the last week of the session, provided,

- (a) That they enroll not later than July 18;
- (b) That they attend regularly after enrolling;
- (c) That they do satisfactory work in the advanced course in English for 1910-11;
- (d) That they do satisfactory work in the practice classes.

Please have all teachers hand in the outlines used this year in the Elementary, Intermediate and Advanced courses in English at the close of the school year, in order that those needed only be used next year.

Yours very truly,

EDWIN G. DEXTER  
Commissioner of Education
